R E P O R T. 1926 - 27.

The Church year opened with great anxiety for the Committee, due to the unexpected resignation, on account of illness, of our Honorary Secretary and Treasurer, Miss Beatrice Mann. Through eight years of indefatigable devotion to the Church she had, with the help of Miss Alice Mann, reconstructed the financial organisation of the Church and in many other directions had placed the Church on a sounder basis. Unfortunately, however, we had all become dependent upon her skill, judgment and initiative and were for a moment paralysed by the fact of her resignation. She had taught us, however, that attention to detail was indispensable to the welfare of the Church, and many members have rallied to the emergency and have done their utmost to make good the loss we suffered. The responsibilities of the treasurership were taken over by Miss Drew and Miss Padbury, while Mr. Spiller and Miss Coit assumed the secretarial duties. The Committee engaged a well-known firm of chartered accountants to prepare financial statements each month to be submitted to the meetings of the Committee. In this way we have been able to cope with the work of the Church. The Committee here records the great debt of gratitude which the Church owes to Miss Mann.

Throughout the session congregational singing practices, led by Mr. Eldon Dacre, our cantor, have been held after the morning and evening services, with the result that the congregational singing, especially of the canticles, has very greatly improved.

The Conferences, which for many years took place after the morning and evening services, had not been altogether in harmony with the spirit of the Services and were discontinued from January 1st for several months. They were then resumed as a component part of the Services themselves, but in July the Committee unanimously voted that they should be discontinued, especially as opportunity for discussion and conference would in future be given at week-night meetings.

During the last two months of the session lectures followed by discussion were held every Friday evening, the subject always bearing upon Ethical Religion. The thanks of the members are due to Mr. Neil Verschoyle, who organised these meetings and acted as their secretary.

Mention should also be made of a Student Ethical Union, which was formed during the Spring term at London University College by two members of the Committee, Mr. A. F. Dawn and Mr. N. Verschoyle.

During the year the President and the Honorary Secretary of the Ethical Church have devoted much time and attention to the organisation of an Ethical Lecturers' Fund Committee. The object of this Committee is to raise funds to provide student fellowships and lecture fellowships for young men and women who desire to devote their lives to the teaching and preaching of Ethical principles in relation to personal and social life, in the spirit which has characterised the Ethical Societies' movement from its inception. The Committee has not yet issued a public appeal, either

for funds or for men to take up the career of Ethical preaching. The organisers of the Committee, however, are encouraged by the fact that the following distinguished leaders of thought have joined the Committee:-

Prof. G. P. Adams, California.
Prof. Felix Adler, Columbia.
Prof. Warner Fite, Princeton.
Dr. G. P. Gooch, Historian.
Prof. H. J. W. Hetherington,
Vice-Chancellor, Liverpool.
Prof. G. Dawes-Hicks, London.
Prof. L. T. Hobhouse, London.
Prof. J. Laird, Aberdeen.

Prof. Alfred Loisy, Sorbonne.
Prof. H. Hoeffding, Copenhagen.
Prof. Wm. McDougall, North Carolina.
Prof. J. S. Mackenzie, Cardiff.
Prof. G. E. Moore, Cambridge.
Prof. J. H. Muirhead, Birmingham.
Prof. Ralph Barton Perry, Harvard.
Prof. S. Radhakrishnan, Calcutta.
Prof. E. D. Starbuck, Iowa.
Prof. G. F. Stout, St. Andrews.

During the session an Ethical Preachers' and Readers' Guild has been formed with the object which its name suggests, and a number of meetings have been held.

As in previous years, a number of special services have been held. One was for the dedication of children, another was a flag ceremony on Armistice Sunday. On New Year's Eve was held a Memory Service, in which the other London Ethical Societies participated. The Service was followed by a Friends' Supper, a social meeting and a Watch Night Service. The first Sunday in February was celebrated, as has been our custom for many years, as Woman's Sunday. On the first Sunday in July at the morning service, the 35th anniversary of the Church, a stained glass window portraying Elizabeth Fry was unveiled by the donor, Mrs. Stanton Coit. At the lunch which followed the service, at which there was an attendance of 130 members and friends, an inspiring address on the fundamental principles of the Church, was delivered by Dr. G. P. Gooch.

The financial statement which is appended to this report explains itself. It should be mentioned, however, that the year has been marked by two significant events: the whole of the mortgage on the property has been reduced by £200, owing to a legacy from Mr. Seal; the remainder of the mortgage, which was held by the original owner of the freehold, has all been taken over by members of the Church. During the year also an appeal was made on behalf of the Church in celebration of Dr. Coit's seventieth birthday, with the result, if we may anticipate what has taken place since the close of the Church year, that the whole of the debt on the organ, £862, has been paid off, and some £500 will be used for decreasing the capital sum of the mortgage.

During the year one member of the Church has died. Miss Florence Winterbottom had for more than thirty years been a most active and devoted worker not only in the Ethical Church but in the English Union of Ethical Societies. During all these years her supreme interest in life was to serve the Ethical Movement and advance the principles for which it stands.

7198 is even the minimum expenses. All have decided to appeal for at least
